[11:50] <leonaras> @darksydephil Phil, genuine question. Do you think you are rushing things with your new partner a bit much? You have been together for like 5 months and met irl about 4 times. Isn't it a bit early to be bandying around terms like love and soulmates? Living with someone is a whole lot different than having a long weekend with them, as you probably know by experience with Leanna. Just dont want to see you rush into things! Stay positive!
[11:50] <fineandspacedandy> Oh shit
[11:50] <industrialspaceman> Squid1 Squid2 Squid3 Squid4
